Dear Friends

I hope that in these difficult times that you and your family and friends are well. These are challenging times but we will come out the other side of this and The Temiskaming Foundation will be able to continue support the community both during the emergency and afterwards.

The Temiskaming Foundation is part of a network of almost 200 Community Foundations across Canada. These Community Foundations are very effective at allowing philanthropy to happen in thousands of Communities across the Country. The Temiskaming Foundation has, for 25 years, been contributing to the growth of the Temiskaming region in the areas of Health, Arts and Culture, Youth projects, Recreation, Museums, Food Banks, Libraries and Scholarships. These funds come from the investment income from the 7.8 million dollars, which is currently endowed with the foundation. In 2019, the contribution was over \$300,000 and our endowment funds keep growing with one new fund this year, The Coffee House Fund.

2019 was the 25th anniversary of the Temiskaming Foundation and we celebrated by partnering with various groups who have benefitted from the Temiskaming Foundation at various events to promote the work of the Foundation. We also had sad news this year with the loss of Peter Ramsay who was the heart of The Temiskaming Foundation and one of its founders. Thanks to Peter's wisdom over the years, The Temiskaming Foundation has been able to support community causes that are important to all of us. We will miss Peter very much.

During this 25th year, we have been focusing on the development of our Community Fund. The Community Fund is a general fund that any community group can apply to for grants. We would like to increase the size of this Community fund so that the Community groups in Temiskaming have more opportunity to obtain funding for valuable causes. We are asking potential donors to consider the Community fund as an option for their giving.

I would like to thank our Executive Director Claire Hendriks for all her hard work and dedication. Without her, we would not be where we are today. I would also like to thank all the dedicated members of the board who are a pleasure to work with and who continually guide The Temiskaming Foundation in the right direction.

At the Temiskaming Foundation, we are always interested in discussing our organization with you. Whether as someone contributing and growing the Foundation or as a member of a community organization that needs the assistance of the Foundation.

I would encourage you to contact us, or me personally, to find out more about The Temiskaming Foundation and how it is a vital organization for the future of the Temiskaming District.

Sincerely,

Mark Wilson

President

The Temiskaming Foundation

In February 2019, The Temiskaming Foundation suffered a great loss when Peter Ramsay died unexpectedly at home at the age of 81.

Peter was one of the founding members of our foundation and he remained an integral part of our organization.

Peter established The Temiskaming Foundation with small group of dedicated community leaders each putting in 100 dollars in 1994. It now has over 7 million dollars. Peter was told the area was too small to have a community foundation, he didn't listen, and now The Temiskaming Foundation is now the largest in the North Eastern Ontario.

Peter's commitment to The Temiskaming Foundations continues through a significant bequest in his will. The Peter & Eileen Ramsay Fund under the Community Fund will continue, in perpetuity, to benefit his beloved community.

Thank you Peter!

NEW FUNDS - 2019

Temiskaming Seniors' Housing Corporation Flow Through Fund

This Flow Through Fund has been established with the intention to exist until the Corporation raises a shortfall in project funding. Hopefully, upon reaching that target, a perpetuity fund will be developed to assist with ongoing costs for this project

Create your own Fund

- 4. Make a Donation:** If you are not interested in establishing a fund of your own, consider a donation to an existing fund. Please see the following pages for a description of our funds.

There is no better feeling than receiving brand new patient equipment for Temiskaming Hospital.

Thanks to a grant from [The Temiskaming Foundation](#), we were able to purchase a Patient Transfer Device.

The Sara Stedy Patient Transfer Device reduces the number of workers needed to move a patient from two workers down to one. The design of the lift encourages patients to take an increasingly active role in their care and protects the safety of both the worker and patient.

Having modern, up-to-date equipment at Temiskaming Hospital allows us to deliver quality, patient-centered health care, and we are so thankful for organizations like The Temiskaming Foundation who help make that possible.

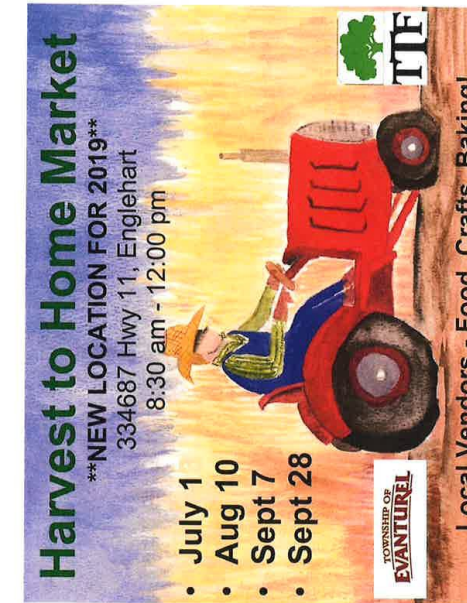

Thank you!

The RBC Future Launch Community Challenge is hosted by Community Foundations of Canada and participating community foundations, and is made possible thanks to a \$5M donation from RBC Foundation. It is part of RBC Future Launch, a commitment by RBC and the RBC Foundation to empower Canadian youth for the jobs of tomorrow. Over the next 10 years, RBC Future Launch is dedicating \$500

million to help young people access meaningful employment through practical work experience, skills development opportunities, networking solutions and mental well-being supports and services.

In 2019, The Temiskaming Foundation and RBC Foundation announced a grant of \$15,000 to the Get Out and Get Active with Cobalt Youth Rec., sponsored by the Town of Cobalt. This project, through a variety of activities including floor hockey, basketball, snowshoeing, jiu-jitsu and art/drama, will build opportunities for Cobalt youth.

As part of the RBC Future Launch Community Challenge, grants like this one are being made to youth-led projects in 150 small and medium sized communities across Canada. The goal of the program is to shift the power to young leaders making positive social or environmental change in their communities, while gaining valuable skills and experience.

“Young people are not future leaders, - they are leading social and environmental change right now. We are honoured to play a role in the bold, change that youth are leading across the country through this national initiative with RBC,” says Andrew Chunilall, CEO of Community Foundations of Canada.

Participating in the RBC Future Launch Community Challenge builds on the Community Foundation’s long-time support to local youth and youth leadership.

A second grant of \$15,000 was awarded to Hilliardton Marsh for the Four Seasons Youth Nature & Activity Trail - stay tuned for more details!

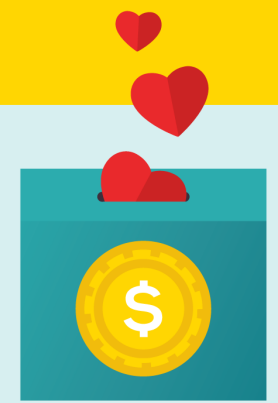

#30YearsofGiving in Canada

Who gives, how and why?

We give generously
Canadians give \$14+ billion annually to registered charities.

New Canadians are giving more

Annual average donation by new Canadians is \$672, compared to \$509 for those born in Canada.

Canada’s 170,000 charities and nonprofits

employ two million Canadians and account for 8.1% of GDP.

13 million Canadians volunteer time and talents

to support charities and nonprofits and help those in need.

Giving is up but...

Total donations have continued to rise only because those who give are giving more.

Rising voice of women in philanthropy

Since 1985, women have steadily gained ground on men as a percentage of donors – from 36% to 41% in 2014. This trend is expected to accelerate as income equality is achieved.

Giving habits not being passed down

Donation rates are dropping across all age groups, particularly among younger Canadians. Donors aged 50+ account for 74% of all donations, while those 70+ make up 30%.

Top youth experiences that motivate future giving:

- Seeing parents volunteer
- Seeing someone they admire helping others
- Participation in organized sporting events
- Participation in a student government
- Participation in a religious organization
- Door to door canvassing
- Volunteering
- Belonging to a youth group
