January 2018

Dear Community minded partner,

I am very pleased to announce another large jump in assets this year. The Temiskaming Foundation is boasting a total of \$7,265,063 in assets and very proud of the \$390,555 donated back to the community in 2017.

Our most important news is our 6 new funds established and the move of our office to our downtown street level location at 61 Whitewood Ave, New Liskeard. As you read on in this report, you will see the details of many generous donors and how the community has been enhanced by this.

2017 has been an exciting year as Canada has celebrated our 150<sup>th</sup> Birthday. The Temiskaming Foundation has granted to many celebrations and events in and around our community to enhance our culture and heritage, celebrating our Canada 150.

Your donation, big or small makes a positive impact within our community.

As I am finishing my term as President, I would like to thank Claire, the Board of Directors and Peter for this opportunity. I have learned so much and will continue to do my best to contribute to our Community that I am proud to be a part of.

I would like to thank our dedicated Board of Directors and Advisors for their commitment and dedication to making the TTF what it is today, and especially Claire, our Executive Director for continuously going beyond the call of duty to make sure the vision of the Foundation never loses momentum.

Thank you,

Michele Lamoureux  
President

# NEW FUNDS of 2017

## Alexa Corneil Fund

**This fund was established in memory of Alexa who passed away in 2017. She is remembered as a talented athlete, a dependable friend, a quiet leader and a very mature, caring and funny young woman. This donor directed fund celebrates her life and has already made a grant to install an AED at the Junction Creek Climbing facility in London Ontario.**

## Eileen Ramsay Fund

**Established by Peter and in memoriam donations, this fund honours Eileen's dedication to her community. She made our community stronger through her teaching, her business activity and her volunteering. She served 4 years on New Liskeard Town council, and enjoyed being on the boards of Temiskaming Art Gallery, South Temiskaming Community Futures Development Corp. and the New Liskeard Library Board.**

## Jordan Birnie Memorial Fund

In July 2017, Jordan Birnie died after a courageous lifelong battle with mental illness. This fund will build Jordan's legacy and support causes that honour his life. Proceeds will be used to support a scholarship in Jordan's name and promote mental health awareness initiatives in Northern Ontario.

## Linda Cote Memorial Fund

This fund was established in honour of Linda by the South Temiskaming Futures Development Corporation. Linda was a long serving member on both the Board of Directors and the Advisory Board for The Temiskaming Foundation. The income from this fund will be split between the Paul Penna (Cobalt) Library and the Historic Cobalt Corporation.

## Vivian Hylands Hostetler -Community Fund

In honour of Vivian, this fund was established by her family as a named fund under the Community Fund. It is hoped that this fund will grow to become a restricted fund with the proceeds to be used to further her historical and literacy interests in Cobalt

# Paul Penna Cobalt Public Library Fund

Established by the Paul Penna Cobalt Library Board of Directors, this fund will be used to support the programs and the operations of the library.

## Create your own Fund

- 1. Consider your charitable interests:** What are you passionate about? With a Donor Directed Fund at The Temiskaming Foundation, you will have the flexibility to support the causes you care about.
- 2. Establish your fund:** With a donation of \$10,000 you can start a named fund. The capital is endowed and the income is granted out annually.
- 3. Grant from your fund:** As the fund holder of a Donor Directed Fund you can be involved in the granting process.

# A Year in the life of your donation

**Museums 9.2%**

**Libraries 14.6%**

**Last, but not least, an Admin fee 1.5% – this allows us to keep doing the work we are doing – thank you!**

## Why do people set up funds the way they do?

Here is the answer for one donor:

### **The Robert and Margaret Pollock (Swastika) Memorial Fund**

This fund was established by John A. Pollock in memory of his parents. John's mother, Sarah Margaret Fawcett Pollock was an honours graduate from Queen's University in 1923. Ten of Mrs. Pollock's grandchildren and several great grand children have graduated from Queen's University. Mrs. Pollock went on to teach and in 1923, she became the first principal of Swastika Public School.

John's father Robert was one of the pioneers of Swastika. He prospected and worked around the area from 1910-1919. From 1919-1935 he was the Road Inspector for the Department of Northern Development. He served as a member of Teck Township (Kirkland Lake and Swastika) council from 1921-1928. It was during this time that Swastika was supplied with electricity and waterworks.

This history set the path for John. When he established the fund, he decided to divide the income allocation into two scholarships. The first, a four-year bursary, to a graduate of Kirkland Lake Collegiate Vocational Institute who is studying Engineering at Queen's University. The other one to a grade 8 student from Swastika who writes the best essay on "Why I am proud to be Canadian".

**In 2017, Jakob Rosko-Fong received \$750, his third year of the four-year award.**

**Since the establishment of this fund in 1996, 26 students have received awards from this fund.**

In years that there is no new scholarship recipient, a grant is forwarded to the Museum of Northern History in Kirkland Lake – in 2017, this was a \$750 grant.

**This award was established to commemorate the lives of Robert & Margaret Pollock, two pioneers of Swastika who contributed to the growth of the village of Swastika and the Township of Teck.**

## LEAVE A LEGACY™ TEMISKAMING

In 2017 The Temiskaming Foundation partnered with charities and professionals in the community to participate in a LEAVE A LEGACY™ project. A series of one page information articles were published in the Temiskaming Speaker during the month of May. Each week highlighted a local example of people making a difference in the lives that follow.

LEAVE A LEGACY™ is a national initiative of the Canadian Association of Gift Planners to promote interest in and create public awareness of charitable giving through a will or an estate plan. Its national mission is to encourage all Canadians to have a Will and to consider the personal and financial benefits of making a charitable bequest to the charities of their choice. Our goal is to encourage everyone to "Make a Difference in the Lives that Follow." For more information on this project contact LEAVE A LEGACY™ at 1-800-430-9494 or check out the LEAVE A LEGACY™ TEMISKAMING website at [www.northernontario.ca/leavealegacytemiskaming](http://www.northernontario.ca/leavealegacytemiskaming)

The best first  
step is ensuring  
you have a will

Anyone can leave a legacy - through a  
will, life insurance, RRSP/RRIFs and  
gifts of shares or mutuals .

Go and see a lawyer, ask for some help  
with your will, then give them this and  
they'll do the rest.

---

I want one of the following to be included in my will:

1. I give to (my charity of choice) the sum of \$ \_\_\_\_\_ to be used for its purposes.
2. I give to (my charity of choice) \_\_\_\_% of my residuary estate.
3. I divide my estate into as many equal shares as may be necessary to give one of such shares to each of my children and (my charity of choice)

Audited Financial Statements  
prepared by KPMG for 2017 will  
be available upon request.

# THE FOUNDATION. of my community

starts with you and me – more than charity  
it's the empathy i feel for the  
people where i live.

Close to home is where the heart is,  
where help goes farthest  
my foundation helps me start this:

people standing <sup>T</sup>ALL  
in towns big and small,  
urban, rural, one and all.

My care comes through  
helping those that can't make do,  
or get by, or maybe  
just need to fly... 

My foundation has roots across the land,  
intertwining, hand-to-hand,  
showing what we thousands banded  
together can do, including you, making true  
the endeavour  
to make things better

for generations still,  
their dreams fulfilled,

it all gets built ...

Do you have a particular charity that you care about and want to help sustain the work of that organization? Consider planned giving as an option. A bequest specifically designated for a charity can provide your estate with tax benefits and the charity with your support. Contact your lawyer, accountant or financial advisor and ask how you can leave a legacy?
