Dear Friends

The Temiskaming Foundation is part of a network of 191 Community Foundations across Canada. These Community Foundations are very effective at allowing philanthropy to happen in thousands of Communities across the Country. The Temiskaming Foundation has, for 24 years, been contributing to the growth of the Temiskaming region in the areas of Health, Arts and Culture, Youth projects, Recreation, Museums, Food Banks, Libraries and Scholarships. These funds come from the investment income from the 7.2 million dollars which is currently endowed with the foundation. In 2018 the contribution was almost \$400,000.

That \$7.1 million keeps growing with 4 new funds in 2018. The Jim and Sandi Hamilton Fund, the Gary Messenger Fund, the Roger Dubien Fund, and the Cynthia Koch Fund.

The Temiskaming Foundation is a vital part of many organizations in Temiskaming and it is also an excellent vehicle that everyone should consider when planning estates and wishing to leave a legacy in their community while reducing taxes.

At the Temiskaming Foundation we are always interested in discussing our organization with you. Whether as someone contributing and growing the Foundation or as a member of a community organization that needs the assistance of the Foundation.

2019 is the 25th anniversary of the Temiskaming Foundation and we are planning some events to raise awareness of the Temiskaming Foundation and in particular our Community Fund. The Community Fund is a general fund that any community group can apply to for grants. We would like to increase the size of this Community Fund so that the Communities in Temiskaming have more opportunity to obtain funding for valuable causes.

I would like to thank our Executive Director Claire Hendriks for all her hard work and dedication. Without her we would not be where we are today. I would also like to thank all the dedicated members of the board who are a pleasure to work with and who continually guide the Temiskaming Foundation in the right direction.

I would encourage you to contact us, or me personally, to find out more about The Temiskaming Foundation and how it is a vital organization for the future of Temiskaming.

Sincerely,

Mark Wilson

#30YearsofGiving in Canada

Who gives, how and why?

We give generously

Canadians give \$14+ billion annually to registered charities.

New Canadians are giving more

Annual average donation by new Canadians is \$672, compared to \$509 for those born in Canada.

Canada's 170,000 charities and nonprofits

employ two million Canadians and account for 8.1% of GDP.

13 million Canadians volunteer time and talents

to support charities and nonprofits and help those in need.

Giving is up but...

Total donations have continued to rise only because those who give are giving more.

Rising voice of women in philanthropy

Since 1985, women have steadily gained ground on men as a percentage of donors – from 36% to 41% in 2014. This trend is expected to accelerate as income equality is achieved.

Giving habits not being passed down

Donation rates are dropping across all age groups, particularly among younger Canadians. Donors aged 50+ account for 74% of all donations, while those 70+ make up 30%.

Top youth experiences that motivate future giving:

- Seeing parents volunteer
- Seeing someone they admire helping others
- Participation in organized sporting events
- Participation in a student government
- Participation in a religious organization
- Door to door canvassing
- Volunteering
- Belonging to a youth group

Why do people set up funds the way they do? Here is the answer for one donor: Arnold Birnie

“Through the Peter & Hope Birnie fund, I am not only venerating the memory of my parents, but, I believe it is the most effective way I can contribute to the enrichment of the Temiskaming Community. By assisting a few of our best and brightest children in their quest to get a post-secondary education, I expect that they, in turn, will be better prepared and enabled to become part of our next generation of leaders and entrepreneurs. Not all, but some of these students will return home and pay forward my small investment with their acquired knowledge, creativity and enthusiasm. This is extremely valuable intellectual sweat equity and every drop of it has to be encouraged and harvested.

It is my hope that these wonderful children will become the leaders that are needed to restore, sustain, and help grow the economy of Northeastern Ontario, as well as our Province and our Country.

For those of us, like myself and my brothers and sisters, who live away, we will never forget our roots and the values we learned here.

The Temiskaming Foundation is an important means for all of us to express our continued support, interest and love for our home community.”

LEAVE A LEGACY™
TEMISKAMING

In 2018 The Temiskaming Foundation partnered with charities and professionals in the community to participate in a LEAVE A LEGACY™ project. A series of one page information articles were published in the Temiskaming Speaker during the month of May. Each week highlighted a local example of people making a difference in the lives that follow.

LEAVE A LEGACY™ is a national initiative of the Canadian Association of Gift Planners to promote interest in and create public awareness of charitable giving through a will or an estate plan. Its national mission is to encourage all Canadians to have a Will and to consider the personal and financial benefits of making a charitable bequest to the charities of their choice. Our goal is to encourage everyone to "Make a Difference in the Lives that Follow." For more information on this project contact LEAVE A LEGACY™ at 1-800-430-9494 or check out the LEAVE A LEGACY™ TEMISKAMING website at www.northernontario.ca/leavealegacytemiskaming

The best first step is ensuring you have a will

Anyone can leave a legacy - through a will, life insurance, RRSP/RRIFs and gifts of shares or mutuals .

Go and see a lawyer, ask for some help with your will, then give them this and they'll do the rest.

I want one of the following to be included in my will:

1. I give to (my charity of choice) the sum of \$ _____ to be used for its purposes.
2. I give to (my charity of choice) ____% of my residuary estate.
3. I divide my estate into as many equal shares as may be necessary to give one of such shares to each of my children and (my charity of choice)

A bequest specifically designated for a charity can provide your estate with tax benefits and the charity with your support.
